

IntelliTools Classroom Suite

Get all three NEW programs in one convenient package!

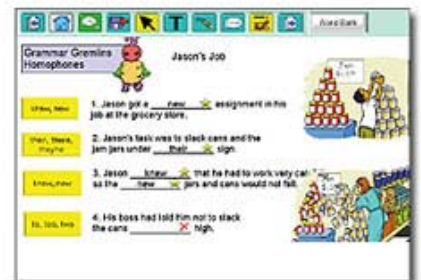

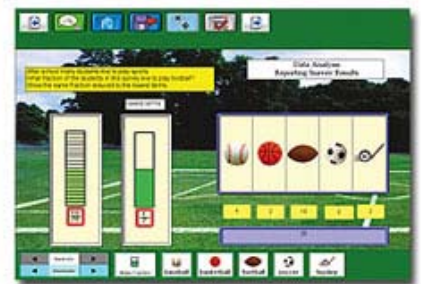

Classroom Suite brings together into a cross-platform, network-ready integrated suite, IntelliTools three [award-winning](#) classroom tools:

- [IntelliPics Studio 3](#) - a multimedia presentation tool
- [IntelliMathics 3](#) - a virtual math manipulatives tool
- [IntelliTalk 3](#) - a talking word processor and writing tool

If you are new to IntelliTools preK-8 tools, you'll love these easy-to-use, cross-curricular authoring and presentation tools. And if you've been using their tools for years, you'll be delighted by their student tracking features, integrated functionality and network compatibility.

Exciting NEW Version 3 features for all tools:

- Consistent user interface among the three tools: learn one, learn them all
- Full student portfolio management - from student log in and assignment systems, to answer tracking, to storing and printing records, to performance assessment
- Instant authoring capabilities with varied templates, sample activities and tutorials
- Customisable toolbars to work in a WYSIWYG environment with drag and drop functionality
- Ability to add recorded speech - great for ESL/ESL (English as a Second Language)
- Integrated word prediction to assist in writing fluency
- Embedded help for ongoing and immediate support
- Tracking of individual student access needs and setting preferences across the three tools
- Optional Access Supplement containing overlays for IntelliKeys and Access QuickStart Guide
- Network system and Mac OS X compatibility

IntelliTools Classroom Suite is pure and simple - a toolbox for preK-8 classrooms.

- Students can practice curriculum-based activities
- Teachers can record, report and print student responses
- Both students and teachers can use integrated creativity tools for authoring multimedia presentations, activities, quizzes, reports and more

Now, for the first time, you'll have network-capable student portfolio management bundled with powerful and fully integrated classroom tools, in a toolkit that meets students' needs across all primary school years. And with Classroom Suite you'll be up and running within minutes of opening the box. Well written Teacher's Guides are filled with helpful hints, lesson plans and step-by-step tutorials. You'll love the dozens of handy templates, QuickStart Guides and embedded help for immediate assistance.
